

Mondorf-les-Bains, July 2021

Dear parents and guardians of S1 and S2 students,

The EIMLB has decided to organise a snow class in the ski area "Obertauern" in Austria for all learners of the secondary classes S1 and S2.

The departure is on **Sunday, 2 January in the evening or on Monday morning, 3 January 2022 at 3.00 am** and the return is scheduled for Saturday evening, **8 January 2022 at 10.00 pm**. The journey is by coach.

Learners are required to take part in **ski lessons; snowboard lessons are not planned**. The courses are suitable for all levels. The idea is to have a good time together, to build and strengthen relationships while practising (or discovering) a winter sport activity.

*Accommodation and meals*

---

During the stay, accommodation and meals (morning, lunch and evening) are provided in the "Gästehaus Schaidberg and Gästehaus Alpincenter" in the Obertauern ski area. This is a youth hostel type of accommodation, which is only a minute's walk from the ski area. The students are divided into dormitories for 4, 5 or 6 people. The supervisory team is responsible for allocating the dormitories.

---

*Ski lessons*

---

The ski lessons take place from Tuesday to Friday from **9:30 to 11:30** and from **14:00 to 16:00**. Learners are divided into small groups according to their individual ski level. The lessons are held by professional ski instructors.

---

*Missions/projects on site*

---

There are no classes like at the EIMLB, but we take the opportunity to work on small assignments after the ski lessons. One assignment, for example, is to keep a daily blog where you can find out what the learners have experienced during the day. Outside the ski lessons, the learners are looked after by the EIMLB teaching team
